VASHI, A DESTINATION THAT THE WORLD LOOKS UP TO

A dream home deserves a dream location. Besides a spellbinding creek and elegant flamingos, Vashi is known for its aspiration to be the best. Not just in terms of infrastructural development, but in terms of ease of living as well. With the presence of over fifty academic institutions, countless world-class healthcare centers, 45%* of green spaces and much more, Vashi is truly a world of its own and clearly the best part of Navi Mumbai.
